

## Secondary Mathematics Preliminary Summer Professional Development Schedule

### *Statistics is FUNdamental*

The new Utah mathematics core has statistical concepts integrated throughout. This course is designed to boost knowledge of statistics for math teachers, while providing fun and interesting hands-on lesson ideas for classroom instruction that are aligned to the core. Teachers will receive instructional materials, manipulatives, and supportive technology to use in their classrooms.

<b>June 9-13</b>	Lehi High School 180 N. 500 E. Lehi	Facilitator: Cameron Smith & Todd Vawdrey District Contact: Kenley Brownkbrown@alpine.k12.ut.us
<b>June 16-20</b>	Logan High School 162 W. 100 S. Logan	Facilitator: Joyce Smart & Spencer Lewis District Contact: Joyce Smartjsmart@lhs.logan.k12.ut.us
